Chief’s new TiLED™ Series is a modular, LED mounting system designed to support creative video wall configurations and simplify specification. The system includes three mounts supporting 2, 3 or 4 LED displays that connect together to form a seamless video wall.

- Integrated plumb adjust of 1’’ (25 mm) compensates for imperfections in the wall
- Depth range including panel between 3.85-4.85” (98-123 mm) for low-profile result
- Keyhole slots allow for fast and easy mount installation
- Offset display mounting slots protect LED sides from damaging friction
- Modular system supports creative video wall design and simplifies specification
- Standard, off-the-shelf solution set means product is stockable and ready to ship – no custom lead times

**ACCESSORIES**

- **TILVABUU**: Vertical Connectors Bracket
- **PAC525, PAC526 & PAC527**: In-Wall Storage Boxes
