Chief’s new TiLED™ Series is a modular, LED mounting system designed to support creative video wall configurations and simplify specification. The system includes three mounts supporting 2, 3 or 4 LED displays that connect together to form a seamless video wall.

- Integrated plumb adjust of 0.75” (19 mm) compensates for imperfections in the wall
- Depth range including panel between 3.59 – 4.34 (91 - 110 mm) for low-profile result
- Keyhole slots allow for fast and easy mount installation
- Offset display mounting slots protect LED sides from damaging friction
- Modular system supports creative video wall design and simplifies specification
- Standard, off-the-shelf solution set means product is stockable and ready to ship – no custom lead times

**TiLED™ Series for LG LAS Fine-pitch and Leyard TVF Series**

**EASY TO SPECIFY.**

X-axis lateral shift adjustments enable perfect LED positioning.

Y-axis vertical shift adjustments provide perfect cabinet-to-cabinet alignment.

Z-axis plumb adjustments compensate for wall imperfections to achieve perfectly flat mounting surfaces.

Friendly Clearances provide the needed freedom for aligning fine pixel pitch LED displays.

Low-profile design accommodates minimum depth wall requirements.

Side Lock Screws lockout LED configuration eliminating cabinet movement.

EASY TO ORDER.

EASY TO INSTALL.
