LENS OPTIONS

ADDITIONAL INFORMATION

How will the screen be mounted?

- WALL MOUNTED HUNG FROM CEILING (PROJECTOR INFO ABOVE IS REQUIRED FOR THIS OPTION) FREE STANDING (PLEASE SPECIFY DISTANCE FROM FLOOR TO VIEWING AREA)

Will this be a wrap-around type of screen with a binding attachment on the back of the frame? YES NO

This option is available on Da-Snap and Series 200 & Series 300 frames with Lace and Grommet surfaces. This surface attachment method will provide a borderless look.

FOR LACE AND GROMMET SURFACES

Are pipe pockets required? YES NO

If so, please indicate the location of the pockets:

Also, please indicate the diameter of tubing to be used with the pockets:

What binding/border material color is required?

Black is standard, but white is available.

BLACK WHITE

Will additional binding/border material be required at the top, bottom or on the sides of the screen's viewing area?

YES NO

If yes, how much is required?

Method of attachment:

GROMMETS SNAPS VELCRO

OTHER (PLEASE SPECIFY)

QUANTITY REQUIRED

REQUIRED INSTALLATION DATE

Describe the environment (i.e. conference center, home theater, educational center, house of worship, awards show) and note any outstanding or remarkable environmental constraints (such as ceiling height, extreme ambient light) as well as any additional important information.

SUBMIT FORM

Clicking the Submit Form button will automatically open a new email message and attach the completed form. If you prefer to save the form and attach it manually, please send to designcenter@da-lite.com.

Thank you for giving us the opportunity to design your custom Da-Lite Screen. E-mail any applicable drawings or construction documents to designcenter@da-lite.com.
