Dynamic **Electrol**

- High quality electrical projection screen featuring an anodised aluminium case and grey end caps.
- Easy to mount onto a wall or ceiling thanks to the supplied brackets which can be positioned laterally.
- The case and the projection screen surface can be made to exactly the right size.
- Limit switches are factory set guaranteeing a long life span. The Dynamic Electrol is supplied with a wall switch.
- The Video (4:3), HDTV (16:9) and Wide (16:10) formats feature a 5 cm black border all around. The square (1:1) format does not include borders.
- On request available with a built-in radio frequency receiver, making it possible to operate the screen using the remote control.
