

NEW VISIONMOUNT® Super Slim Tilting Mounts

MODEL VLT14-B1

MODEL VMT14-B1

Position TVs less than an inch from the wall and offer up to 10° of tilt

Ideal for accentuating the look of ultra-thin LCD, plasma and LED TVs, SANUS' new Super Slim VLT14 and VMT14 tilting mounts sit less than an inch from the wall and offer up to 10° of smooth tilting capability with fingertip tilt. In addition, these mounts offer the innovative ClickStand™ mechanism, so it's easy to access cables behind the TV. Simply pull down on the quick-release tabs to unlock the TV from the wall plate and the ClickStand™ feature holds the TV away from the wall for hands-free cable management.
