

# A-Frame Easels

---

The A-Frame Easel features a heavy-duty design for demanding applications and rental environments. It is constructed of welded square aluminum tubing for strength and easy setup. A spring-loaded pad clamp holds paper pads or single page materials like charts and posters. The steel backboard can double as a magnetic display and has a full-length marker tray. The folding model features hinged legs allowing the easel to be folded for easy storage and transport.
