

Arena Electrol

The Arena Electrol® is designed for large venues that require a durable motorized projection screen over 39' wide. It features a built-in balancing system and steel cable guides to ensure smooth screen retraction and a flat viewing surface. The surface is centered in the screen housing.

Features

- Sizes up to 39' 4" wide
- Durable steel inner frame with black steel case finish and fixed mounting brackets (white case available at additional charge)
- Radio frequency remote control
- Surfaces include Matte White and Perforated Matte White
- Borderless screen surface

Optional Accessories:

- Red Laser Pointers
- Green Laser Pointers
- RF PowerPoint Remote with Green Laser Pointer
