

Multi-Media Lectern

The Multi-Media Lectern provides you with a platform to do a complete computer-based presentation. Choose from the standard configuration or a custom configuration to meet your project need. The monitor shelf accommodates up to a 15" diagonal monitor. The keyboard shelf has a fixed height pullout with a fold-down door so the keyboard can be concealed when not in use. Equipment shelves are adjustable to store equipment, and an optional rack mount can be installed for other organization. A hinged reading surface allows access to monitor and routing cords.
